## ALHUMDULILLAH

### Possession Announcement for Residential & Commercial Plots

Management of Lahore Smart City would like to thank all members and selling partners for believing in our project and services. We are pleased to have you as our loyal customers and look forward to have these relations in years to come. Thank you for your consistent trust on us.

LSC is making all efforts for timely delivery which is not possible without the support of our valuable customers and selling partners. Keeping this promise, we are pleased to announce the possession of sector A & sector B almost three years before promised delivery date.

#### Possession Policy:

**Sector A:** possession process will start in March 2022, IN SHA ALLAH.

**Sector B:** possession process will start in May 2022, (after Ramadan) IN SHA ALLAH.

Further details for the possession policy are listed below:

- All those members who have booked their plots on 100% payment will be eligible for the possession of plots on their own choice subject to start of construction works within 90 days after signing their willingness performa on stamp agreement.
- In second phase company will announce possession for remaining plots (if available) on first come first serve basis. Priority will be given to members who have booked their plots on 40% and 50% down payment respectively. Customer needs to verify the availability of plots before depositing 100% payment from our office and should sign the willingness performa for start of construction works within 90 days.

Notification for the start of possession process will be published in due course of time. To facilitate the members for construction of their property, management has decided to start receiving the development charges from next year.

Thank you for your usual support towards Lahore Smart City. The customer support center is available 24/7 in case of any assistance or clarification.
