## ICONS BUILT & DELIVERED 15 MILLION SQ.FT OF REALITY IN DUBAI & PAKISTAN

Established in 1956, **Giga Group** has grown from a textile company and diversified into the business of bullion imports and gold refining.

Today, **Giga Group's** drive and ambitions are now focused on creating property of enduring value in Pakistan.

The Group has already delivered over 15 million square feet of reality worldwide, out of which, 7 million has been built and delivered in Islamabad. **Giga Group** is ready to further leverage its experience in creating **ICONS in Pakistan** that will make the world sit up and take note.
